

TCHFUNCTE MIDDLE SCHOOL PTA

1530 West Causeway Approach – Mandeville, LA 70471

March 25, 2019

Dear TMS Brick Donor,

You are receiving this letter because you contributed to the TMS PTA by purchasing a brick in our “Bricks for Track” Project. Unfortunately, the Project encountered some challenges as we completed the necessary due diligence to ensure the track, once constructed, will be in compliance with school district and parish regulations.

We now have a certified plan developed by a Civil Engineer and we have secured at least three bids for the work. The bids will be presented to the PTA General Membership in a formal meeting. Unfortunately, the budget of the project has increased significantly, and thus will have to be approved by a ballot vote of the current paid membership, so that we may continue efforts to construct the track for TMS.

I'd like to invite you to a meeting, during which we will provide a more complete report on the current status of the Track project. To allow as many to attend as possible, we will hold two identical meetings on April 16th, the first at 9 AM and the second at 6PM. After each meeting, we will have a membership only voting.

If you would like to participate in the ballot vote, and if not already PTA member, I encourage you to join. Membership dues are \$8.50.

If there is a majority vote against the track project, please consider relinquishing the restricted brick donation for the Track Project, so the PTA membership can allocate funds in the best interest of Tchefuncte Middle School. If you choose not to relinquish the donation, please send a letter to TMS PTA requesting a full refund of money you paid for a brick.

If you have any questions or concerns, please feel free to contact me via email at: tchefuncteptaproject@gmail.com.

Many thanks for your support of TMS.

Nicole Sheppard
TMS PTA President
